

EMBASSY OF ECUADOR IN AUSTRALIA

N° 4-8-10/2021  
Canberra, 22<sup>nd</sup> February 2021

Dear Daniel Engel,

I would like to express my gratitude for your thoughtful delivery of your Original Guayusa Tea and Cinnamon Myrtle blend. It is refreshing and exciting to see our natural secrets brought to Australia to be shared and appreciated.

In this regard, I wish to express my sincerest thanks for your efforts to support the native Amazonian communities of Ecuador through the purchase, sale, and promotion of Guayusa Tea. The work that Ayusa Tea has been conducting to help create awareness in Australia of native traditions and history is immensely important. Whilst well known and highly revered in the region, Ecuadorian native culture remains almost unheard of in Australia.

We are looking forward to the release of more Ayusa Tea products in the future, including the Anise Myrtle blend. Please keep the Embassy of Ecuador informed as your business grows, and do not hesitate to contact us if we can be of assistance in any way.

Sincerely,

  
Mauricio Montalvo  
Ambassador of Ecuador to Australia
